Hi Phil -

I wanted to make sure you saw the draft Community Involvement Plan before the call this morning. I will fill in the missing sections and send out a review draft by the end of today, so you can just discard this version. It originally had an appendix with some pretty detailed information from the Census Bureau about the communities (attached separately here), but Tami thought (and I agree) that some of the information might not be welcomed, so I am going to add a very brief section in the body of the document summarizing the demographics.

Talk to you soon,

Judy
